Banasthali, Kathmandu, Nepal

9813520439

Personal Details

I am a dedicated IT student wanted to pursue a career in Quality Assurance. I have a mid-level background in manual and automated testing, as well as basic understanding of PHP and SQL. I am committed to producing high-quality software products through my attention to detail, analytical thinking, and problem-solving skills. I am continually looking for ways to broaden my knowledge and abilities in the field of quality assurance.
